All resident and non-resident florists operating or making taxable sales in Saskatchewan are required to be registered with a PST Vendor Licence number. There are no minimum annual sales for this requirement, and vendors are required to collect and remit PST on all taxable sales as outlined in this bulletin.

For information regarding Licenced Vendor responsibilities and tax return filing, please see Information Bulletin [PST-5, Registration and Reporting Requirements](#).

Sales Made Through Online Platforms

Online marketplace facilitators must be licensed for purposes of collecting and remitting Saskatchewan PST. This includes both resident and non-resident online platform operators.

Marketplace Facilitator means a person, as defined in *The Provincial Sales Tax Regulations*, that makes or facilitates a marketplace for retail sales by marketplace sellers and collects payment from a consumer or user, directly or indirectly, and remits payment to a marketplace seller; whether or not that person receives consideration in exchange for its services.

Marketplace seller means a person that makes retail sales through any physical or electronic marketplace operated, owned, or controlled by a marketplace facilitator.

The marketplace facilitator is responsible for the proper collection of PST, including determining the applicable rate and tax status of goods and services for sale, and is required to collect and remit PST on all taxable sales made through their platforms, regardless of whether the marketplace seller is a licensed vendor.

For further information, please refer to Information Notice [IN 2020-08, *Electronic Distribution Platforms, Online Accommodation Platforms and Marketplace Facilitators*](#).

- Orders of floral arrangements, plants, gift baskets and other packaged goods, placed by residents or non-residents for delivery outside Saskatchewan

Sales of taxable goods and services to the following are exempt from tax:

- Federal government departments and agencies (**Note:** Federal government crown corporations and provincial government ministries, agencies and crown corporations are not exempt from paying PST).
- Other vendors for resale providing their vendor's licence number is recorded.
- Residents or non-residents providing the goods and services are shipped or delivered out of the province by the retailer (evidence of shipment must be retained).
- Status Indians, Indian bands or non-commercial band-empowered entities providing the goods are delivered to a reserve by the vendor or a third-party carrier arranged by the vendor. To qualify for the exemption an individual must present their *Certificate of Indian Status* card and the vendor must record the complete 10-digit card number on the sales invoice. For an Indian band or non-commercial band-empowered entity, the band number and band name must be recorded on the sales invoice. A band-empowered entity must also certify that the purchase is for non-commercial band-management activities. **The vendor must retain documentation to support the exemption, including proof of delivery such as a waybill, freight bill or postal receipt.** Please see Information Bulletin [PST-63, Sales to First Nations Individuals and Organizations](#) for further information.

E. EXEMPT PURCHASES

The following items may be purchased exempt from tax by quoting your vendor's licence number to your suppliers:

- Inventory items, for resale
- Containers sold with the product and not returned to the vendor (e.g. wrapping materials, boxes, bags and labels)

Florists that grow their own flowers and plants may qualify as a farmer and be eligible to purchase certain farm equipment and supplies exempt of the PST. See Information Bulletin [PST-23, Lawn and Garden Centres, Nurseries, Greenhouses, Gardens and Other Growers](#) for additional information.

F. GOODS AND SERVICES FOR YOUR OWN USE

Businesses are required to pay tax on purchases of new and used equipment, supplies and taxable services purchased for use in their business operations. Tax is payable as follows:

- When purchased from a licensed supplier, the tax must be paid to the supplier at the time of purchase.
- When purchased from a supplier who did not collect the tax, or when taken from an exempt resale inventory, the tax must be self-assessed and remitted with the regular tax return. This includes goods taken for personal or business use.

- When purchased from an unlicensed supplier located outside Saskatchewan, the tax must be self-assessed and remitted with the regular tax return on the laid down cost, which includes currency exchange, transportation charges, customs and excise duties, and importation charges, but not the GST.

Goods in this category include items such as:

- Advertising materials including flyers, catalogues and price lists
- Shelving and display racks
- Coolers and refrigerators (including walk-in)
- Office furniture and equipment
- Office stationery and supplies
- Tools and equipment

G. SALES OF USED BUSINESS ASSETS

Businesses are required to collect tax on the sale of used assets, such as taxable vehicles and equipment. When used assets are being sold as part of the closure of a business, the purchaser is required to self-assess and report the tax.

When individuals purchase used goods for personal use, other than vehicles, tax applies to the selling price of the goods less a deduction of \$300 per item. If a trade-in is involved, the purchaser is entitled to a deduction of \$300 or the value of the trade-in, whichever is greater. If the goods are for commercial use, the \$300 deduction does not apply.

For further information please see Information Bulletin [PST-58, Used Goods](#).

H. TAX TIPS LINE

When a business or individual does not comply with provincial tax legislation, businesses face unfair competition and a burden is placed on all taxpayers who do comply. It causes significant loss in the revenue available to fund services such as health, education, and other important government programs.

Tax Tips Line provides an anonymous, fully confidential way for the public to report businesses or individuals who are participating in tax fraud. If you suspect that a business or individual is being dishonest with their provincial taxes or is misrepresenting their activities to reduce their taxes, you can report them using Tax Tips Line.
